Chairman Storms opened the regular meeting at 5:07 p.m.

Town of Wilna Business:

Adam Storino, Surveyor, was present in regard to a minor subdivision of 5.89 acres on the Avery Road on the Buskey property. The survey was straightforward and having no one appearing for the Public Hearing, a motion was made by Mr. Florence, seconded by Mr. Sligar to approve the subdivision as presented. Papers were signed by Chairman Storms.

A Public Hearing was set for April 5, 2023 at 5:00 p.m. to address a minor subdivision on County Rt. 42 by Strife.

A Comprehensive Plan Committee was formed previously for representatives from the Town of Wilna, which consists of Lori Borland, Town Clerk, and Shari Gerber, Town Councilman. Jon Storms from this Planning Board stepped up to join also.

Village of Carthage Business: Mark Gaines from NBC Watertown, was present to give an overall preview for discussion on a digital billboard that he would like to place on the Young Law Office building on the wall towards the river. After some questions and clarification, it was noted that this Planning

Board does not see a problem with this, but the matter needs to be taken to the Village Board for approval, or to the ZBA for a variance.

A draft of the proposed Solar Energy Law was previously provided to the Planning Board for review prior to this meeting. This would be for the Village of Carthage. It was briefly discussed, but tabled for now. It appears to be a boilerplate template.

Village of Deferiet Business: None

Other Business: None

Next Meeting: April 5, 2023 at 5:00 p.m. for Strife Public Hearing, etc.

There being no further business to come before the Board, a motion was made by Mr. Florence, seconded by Mr. Sligar, to adjourn. Meeting adjourned at 6:06 p.m.

Respectfully submitted:

Lori Borland, Secretary
